

# **Lipa Slovak Folk Dancers**

**Tuesday July 13, 7:30 to 8:00 pm**

**The Lipa Slovak Folk Dancers:** present dances of the Republic of Slovakia and feature all three regions, East, West and Central Slovakia. The dances presented are authentic and unchanged and performed just as presented in the Slovak Republic. This makes for a very lively and spirited dance performance; one that leaves the audience tapping its feet and humming along with the music. The dancers perform in authentic Slovak folk dress and the music and dances as well as the folk dress are all authentic replicas of what would be seen in the Slovak Republic at a folk festival.

The group has performed at many venues including Iron World at Chisholm, Minnesota, the Festival of Nations in St. Paul, Minnesota, The Minnesota State Fair, Immigration & History Research Center and at the National Czech & Slovak Museum & Library to full houses and many other small festivals and events throughout the Midwest.

We know you will enjoy the program presented by the Lipa Slovak Folk Dancers.
